Criteria for share of profit petroleum from Barmer-Sachore Basin

*2. SHRI HARISH RAWAT:
SHRI SANTOSH BAGRODIA:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) by when commercial production of oil and natural gas from Barmer-Sachore basin is expected;

(b) whether Central Government would get "Profit Petroleum" from these fields;

(c) if so, by when;

(d) whether State Government will also be given a share out of this profit;

(e) if so, how much percentage; and

(f) if not, the reasons therefor?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MURLI DEORA): (a) Commercial production of crude oil from the Block RJ-ON-90/1 in Barmer-Sachore basin in the State of Rajasthan is likely to start by first quarter of 2009.

(b) and (c) Yes, Sir. Government will get share of profit petroleum from these fields. The share of profits petroleum will be decided as per the provisions of the Production Sharing Contract (PSC). The Profit Petroleum from the project depends upon various parameters such as estimated recoverable reserves, prevalent oil and associated gas prices, level of investments made on exploration and development efforts in the block. Profit share to the Government will only be available after recovery of cost made under the project as per the provisions of the contract.

(d) to (f) As per the recommendations of Twelfth Finance Commission, Profit Petroleum arising out of the PSCs under New Exploration Licensing Policy (NELP) are to be shared with the concerned States in the ratio of 50:50. However, this profit sharing will not be applicable for RJ-ON-90/1 which is a Pre-NELP block. State Government will get royalty at the rate of 20% of crude oil production at well head price as well as other taxes and duties applicable in the State.
